

# The TYPO3 Guidebook

Understand and Use TYPO3 CMS

By Felicity Brand, Heather McNamee, Jeffrey A. McGuire

 #typo3guidebook

*In two parts*  
*Part 1. Overview tour*  
*Part 2. Hands-on guides*

<https://typo3.org/article/the-typo3-guidebook-is-available-for-pre-order>

## What is in the Book?

### **Part 1: An overview tour.**

- **TYPO3 Showroom.** See what others have done with TYPO3, demonstrating the features and strengths.
- **Designing and Planning with TYPO3.** See how you'd plan a site, taking into account TYPO3's approach to layouts and functionality.
- **Building and Extending TYPO3.** What you need to know about TYPO3 so you can build sites efficiently.
- **Launching and Maintaining TYPO3.** Find out what typical maintenance is required, and set expectations around updating and upgrading.

What is in the Book?

## **Part 2 - Modular step-by-step tutorials**

- Installing TYPO3
- Creating your first TYPO3 site
- Extending TYPO3
- Plan, build, and use content elements
- Create your first standalone extension
- Creating a password-protected members' area
- Translate your site
- Configure content management workflow
- Making TYPO3 successful for your business
- Debugging and troubleshooting
